

# Workplace Organiser Training Day

hosted by the **Education Workers' Network**  
Saturday, 17th November 2012, 10am-6pm; at SOAS, London  
(1st floor, Brunei Gallery building, opposite the main SOAS building entrance)

A day of training sessions & discussions on workplace issues for workers in educational organisations regardless of job, role and whether unionised or not, who want to:

build a network with fellow education workers;  
learn to take on management and organise workplace struggle;  
share ideas & experiences on building solidarity and confidence in the workplace.

Programme includes basic workplace organiser training & workshops on:

Organising Strikes - Working with TUC Unions  
Visions of Libertarian Education - What's the Point of Secondary School  
Organising / Coordinating with Students.
